

Match Information

Downtown Cody and the Cody Shooting Complex (3-1/2 miles north of town) are about 5000 feet in elevation and in June we can have morning, afternoon, or evening thunderstorms with hail and wind, and, yes, we can even have snow! Average temperatures in June range from lows in the mid 40s to highs in the mid 70s, but it can get colder or hotter. So, be prepared for just about anything. We will shoot rain, wind, snow; sunshine or no. For the main match, plan on 120 rounds of pistol, 120 rounds of rifle, and 60 rounds of shotgun ammo, but as always, bring lots more for the side matches.

Thursday: All side matches are included in your entry fee and you may shoot as much as you want, but, *your first time through is for score*. Details will be in your program.

Friday: Main Match begins with six stages. Opening ceremonies begin at 8:10 sharp near the registration building with flag salute, announcements, and safety briefing. Meet and greet 5 pm at the Irma Hotel.
